

TANNING SOLUTIONS

A selection of 17 colours, within 5 different ranges, to suit all skin types and occasions.

2 HOUR BioTan Plus

BioTan Plus is the ultimate solution and is scientifically enhanced with the BioTan Plus formula. It contains exotic ingredients known for their anti-aging, moisturising and hydrating properties such as Moroccan Argan Oil and Coffee Extract. It also contains the amazing Centella Asiatica; famous for its skin repair and rejuvenation qualities. BioTan Plus is a 2 hour solutions that not only results in beautiful, Brazilian bronze colour tones, but also replenishes your skin, leaving it soft and renewed. BioTan Plus is environmentally friendly and is packed full of natural and organic ingredients such as EcoCert DHA, Kakadu Plum, Ginseng and Aloe Vera.
